**Description:** The transfer of 31,680 feet of gas line pipe from rail to truck at the CME facility. The site served as a transfer point for gas pipe arriving on 60 rail cars from Florida for transfer to the staging area in Carteret, NJ. The pipe was destined for a loop in the Raritan, NJ area.

**Location:** Elizabeth, NJ

**Owner:** Williams Gas Co.

**Comments:** The rail spur at the CME facility provides an option to the customer to ship bulk or heavy dimensional loads by rail to the NY, NJ area for redistribution by other means of transportation conserving fuel and lowering costs.
