Description: CME crew lifting 130 foot long pipe piles off a specialized rail car onto a waiting barge for delivery to a project site.

Location: CME Marine Terminal, Elizabeth, NJ

Comments: Whether your oversized project cargo arrives by truck, by sea or by rail, CME's Marine Terminal can handle the load . Our cranes range from 40 tons to 300 tons with an assortment of support weight handling equipment to get the job done. With over 30 years on the waterfront, CME can coordinate barges, specialized rail cars, and truck trailers to suit your transportation needs.
